### 96th Anniversary Celebration

If it's October, it can only mean one thing...okay two if you count Halloween another favorite Irish holiday...it means the Shannon Rovers Irish Pipe Band celebrates its anniversary. This year marks our 96th Year!

Like most of you, we value even more deeply the opportunity to come together as family and friends to celebrate all of life's special moments. As Rovers we are doubly blessed in that we are often invited into the hearts and homes of others to share in their most cherished moments. In a way, going back to the roots of the Irish culture, or the Way of the Gael, bringing Irish music and laughter to backyards, and driveways, and block parties and patios and all manner of spaces. It is truly wonderful to experience those celebrations - whether a baptism, graduation, wedding, retirement, or memorial - and be part of something grand.

This year, the band is honoring its members for their commitment to keeping the mission of the Shannon Rovers. As you will see at the Dinner Dance, we have been blessed with folks who have made a lifelong commitment to bringing Irish music and traditions. Since its founding, the Shannon Rovers have performed in thousands of local, national, and international events. Our unique sound has welcomed distinguished visitors from all over the world to our wonderful city and touched the hearts of thousands with stirring traditional Irish music including marches and gentle Irish airs.

The Shannon Rovers "Club" was organized in 1926 by Tommie Ryan and a group of Irishmen, most of whom emigrated from Ireland in the 1920's, an historical period in Ireland. Today, 96 years later, we honor all our long time members – some whom have performed for over 50 years. Members will tell you one of the Shannon Rovers' proudest traditions has been leading Chicago's St. Patrick's Day Parade. Everyone loves a parade but leading the greatest parade in the world is really something special. Even the most veteran of Rovers share the enthusiasm of the crowd on St. Patrick's Day in Chicago.

The common thread that seems to hold it all together is the genuine love of traditional Irish music and the celebration of the Irish Culture.

All the members of the Shannon Rovers wish to *thank you* directly for your continued support. For it is only with your support through sponsorship ads and direct donations that we can carry on the traditions of the Irish.

<del>Since</del>rely,

Patrick Leyden

# National Anthems

#### AMERICAN NATIONAL ANTHEM "The Star Spangled Banner"

O say can you see by the dawn's early light, What so proudly we hailed at the twilight's last gleaming, Whose broad stripes and bright stars through the perilous fight, O'er the ramparts we watched, were so gallantly streaming? And the rockets' red glare, the bombs bursting in air, Gave proof through the night that our flag was still there; O say does that star-spangled banner yet wave, O'er the land of the free and the home of the brave?

IRISH NATIONAL ANTHEM
"A Soldier's Song"

We'll sing a song, a soldier's song,
With cheering rousing chorus,
As round our blazing fires we throng,
The starry heavens o'er us;
Impatient for the coming fight,
And as we wait the morning's light,
Here in the silence of the night,
We'll chant a soldier's song.

#### Chorus:

Soldiers are we, whose lives are pledged to Ireland
Some have come from a land beyond the wave,
Swom to be free, no more ancient sire land,
Shall shelter the despot or the slave.
Tonight we man the "bearna baoil"
In Erin's cause, come woe or weal,
'Mid cannons' roar and rifles' peal,
We'll chant a soldier's song.

In valley green, on towering crag,
Our fathers fought before us,
And conquered 'neath the same old flag
That's proudly floating o'er us.
We're children of a fighting race,
That never yet has known disgrace,
And as we march, the foe to face,
We'll chant a soldier's song.

#### Chorus

Sons of the Gael! Men of the Pale!
The long watched day is breaking;
The serried ranks of Inisfail
Shall set the Tyrant quaking.
Our camp fires now are burning low;
See in the east a silv'ry glow,
Our yonder waits the Saxon foe,
So chant a soldier's song.

#### Chorus

THE MEASURE OF A MAN

Not - How did he die? But - How did he live?

Not - What did he gain? But - What did he give?

These are the things that measure the worth

Of a man as a man, regardless of birth.

Not - What was his station? But - had he a heart?

And - How did he play his God-given part?

Was he ever ready with a word of good cheer?

To bring back a smile, to banish a tear?

Not - What was his church? Not - What was his creed?

But - Had he befriended those really in need?

Not - What did the sketch in the newspaper say?

But - How many were sorry when he passed away?

These are the things that measure the worth

Of a man as a man, regardless of birth.
